Plastic Bags - most grocery stores provide drop off containers in the entrance.
Clothing receptacles are located near and around the area, usually near the grocery stores OR Good Will, Salvation Army, and Common Goods.
Eyeglasses can be donated to the Lion's Club or check with your eye Doctor.
Incandescent light bulbs (for a small fee) can be taken to your local hardware stores to be disposed of properly.
For **paint supplies** check with your local hardware store or the hazardous waste facility station at the landfill.
Scrap Metal and **Aluminum are both** worth money at metal Recycling facilities.
